## ALPHA MALE INTELLIGENCE

**1** **American Graffiti**  
**Los Angeles, CA**  
In 1997, Saber tagged a 250-by-55-foot piece of concrete. A new DVD, *Infamy*, explores America's artsy-fartsy ghettos.

**2** **Lookin' Good**  
**Eugene, OR**  
You'll probably shatter one of these limited edition boards trying to rail a handrail, but you'll look cooler than everyone else before the ambulance comes. (\$17 coolestshop)
